MEMORANDUM FOR: Chief, Clandestine Services Personnel Division

SUBJECT : Hard-To-Locate People

1. We are looking into the matter of recruiting for hard-to-locate people.

25X1A

2. As we understand it, the only openings against which you are now recruiting in the US are six [redacted] jobs in the FI Staff and fifteen jobs calling for [redacted] experience for the CA Staff.

3. Could you give us some statistics on how many candidates have been offered to these staffs for each job over the past twenty months?

4. Some of the CA Staff jobs would seem to us to be relatively easy to fill. Why in your opinion has it been so difficult to locate suitable candidates for them?
